# The Vicar's Letter

The Vicarage, Waltham Road  
(corner of Foliejohn Way)  
Woodlands Park  
Tel. 07874 399411

Dear Friends of the Parish of White Waltham and Woodlands Park,

There is a saying that “when the cat’s away the mice will play”. As I write this, Rev Dave is into the ninth week of his Sabbatical and I can tell you that the mice are certainly not playing, because they’re so busy keeping everything ticking over in the Top Cat’s absence.

I’m delighted that there is much activity to report. It takes a team of church mice to keep a church in operation and there’s one mighty mouse team here at St Mary’s. There’s a lot going on: the planning of services and the associated administration; the technology that’s needed to project the service onto screens and into people’s homes; the music that’s played and guest preachers to look after. Our children’s work continues and thrives and our work in schools carries on during term time. There are prayer groups, bible study groups, a weekly chat room, flower guild workshops, picnics and any other excuse to eat cake. In addition, there is always much to do in the churchyard and – most importantly – we keep the church buildings maintained, repaired and cleaned. There’s much to be done by the mice while the Top Cat’s away!

I’m a Churchwarden, so am occupied with some of the more practical issues of running a church, but I’m following Rev Dave’s example by referring to a bible passage to illustrate a point. Recently, I came across a passage in a letter that the apostle Peter wrote to Christians who were being persecuted across the ancient lands of Asia Minor (*1 Peter Ch 4 v 8–11*).

** White Waltham**

He wrote to encourage them not to lose heart during a challenging time of their lives. We're certainly not being persecuted, but we all could benefit from some words of encouragement now and then. Here are a few lines from that passage:

- *Above all, love each other deeply*
- *Be hospitable to one another*
- *Serve one another with whatever gift each of you has received*
- *Serve others with the strength that God provides*

These words of encouragement, that Peter wrote so many years ago, (around AD 62) have some relevance for the life we lead today and to us all here at St Mary's during Dave's Sabbatical. Peter in his wisdom recognized that there were those who needed encouragement and we all need the same inspiration and motivation. How can we go wrong if we continue to love and encourage one another, serve God and our friends, and use our God-given talents in a way that benefits others?

For those of you who have never experienced church family life, I encourage you to try it. Come and see us during the summer and beyond after Rev Dave returns – join in and experience the joy and encouragement that being a part of a loving, caring, supportive community can bring. We'd be delighted to see you at one of our services on a Sunday at 10.30am – you'll be given a very warm welcome. Come and see the mice at work and play while the Top Cat's away!

There are several useful telephone numbers at the back of this magazine if you would like to get in touch.

In the meantime, a very happy summer to you all.

Liz Atlay

# Woodlands Park Primary and Nursery School

*A place for everyone.  
Together, we are inspired to grow, learn and achieve.*

As we come to the end of a wonderfully busy summer term, we're delighted to share just a few highlights from our vibrant school community.

Our swimming pool has been a fantastic addition to the term, and it's been heart-warming to see the children thoroughly enjoying their sessions, growing in confidence and skill with every splash.

Building a strong sense of community has been at the heart of all we've done this term. We've been thrilled to welcome families into school for a range of events that brought joy to children and adults alike. From kite-building workshops and energetic sports days to friendly parent Rounders matches, picnics and a successful open morning, these moments have helped to deepen the relationships that are so essential to a thriving school.

As we look ahead to September, we're excited to welcome new families into our Nursery and Reception classes. It's also a time of new beginnings as we prepare to welcome our new headteacher, Jo Sergeant, who will be joining us at the start of the autumn term. We look forward to the journey ahead with optimism and a continued commitment to working together as a caring, connected school community.

As I come to the end of my time as Interim Headteacher at Woodlands Park Primary School, I want to say what a pleasure it has been to lead such a welcoming school community. I have been consistently impressed by the children's commitment to their learning and by the dedication and hard work of the staff in providing a rich and engaging experience for all our young people. During my time here, I've been proud to help introduce new initiatives aimed at supporting and strengthening the school's curriculum offer, and I am confident that the school will continue to thrive and grow under its new leadership. I wish everyone at Woodlands Park all the very best for the new academic year and beyond.

Wishing all our families and parish friends a restful and joyful summer.

# White Waltham Cricket Club

*Est 1879 and still representing the village today!*

We are now well into the 2025 cricket season, with each of the senior sides playing 7 games to date! It's been a great season so far; highlights include another good run in the National Village Knockout, gaining victory over Peppard Stoke Row, but falling to Cookham Dean this time.

The 1XI currently lie 8<sup>th</sup> in Division 3A. Having been promoted last season it was always going to be difficult, but a couple of good early-season wins have shown plenty of promise.

# Windy Weather

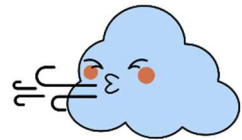

I expect you follow the weather forecasts on TV or on your phone. Sometimes, when looking ahead to find the projected weather for a holiday, everything appears to be rather gloomy or wet, with no chance of a day out walking or family time on the beach. However, looking again a week later, the forecast can have changed to bright and sunny, perhaps with a breeze.

There are, of course, days on holiday or at home when strong winds are forecast and it's probably worthwhile staying indoors! There are times when we're reminded of the incredible wind strength which can cause enormous damage to homes or the natural world. You may have visited our churchyard and seen the power required to snap off half of our ancient yew tree. It had grown there for a thousand years and suddenly it was broken into two. Or when in 1984, living in Canada, we drove to where there had been a tornado and saw how its pathway of bouncing along and over areas left some dwellings wrecked, but others completely intact. We also saw that the same enormous power had whisked tractors up onto the top of agricultural barns thirty feet high. Today, we try to harness that power by installing wind turbines in the gustiest of places to generate electricity for us.

There can then be some very good ways to harness the wind power in our modern world, just like there were in the first century! In the Bible, strong winds often come with special events. At this time, Jesus had died and proved his power over sin and death by rising again from the dead. The apostles had met with him, and he had explained that he was leaving them, but he promised to give them power to continue his work on earth. So, six weeks later, it was the day of Pentecost when many of the disciples were gathered in the upstairs room, praying together. "Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each one of them. All of them were filled with the Holy Spirit" (*see Acts chapter 2 verses 2-4a*). But this was not just a strong wind, it was God giving the disciples his breath and his fire-power to live for him and be bold witnesses for him. That same breath and fire-power has enabled the Christian Church to continue for 2000 years!

Why not come to White Waltham Church and find out more!

## My Story (part 2)

Let's continue from when I was working in Horsham in the computer industry and we now had a lovely girl growing up. We left London and bought a wee house just outside Littlehampton, so I was able to use the train to get to work. Things started to move faster. I learned to drive and bought an elderly Austin which served me very well. In Wick, where we now lived, (close to where Dr. Roger Bannister, who ran the world's first sub-four-minute mile, lived) we attended a fairly young church, which accepted us and helped us to grow as Christians. My wife became pregnant again and soon we had a second baby girl, born in what was then a Maternity Hospital in Rustington. When Janice was 11, she started at Worthing High School, while Rebecca started at the local primary school.

My job continued well; I progressed from programming to Systems Analysis and I loved it! Some good friends and neighbours of ours announced that they were emigrating to New Zealand and this started us thinking and praying about our future. But God had His own amazing plan for our next move. I had made some vague enquiries at work about suitable jobs in New Zealand, but that was as far as things had got. Then a senior manager in the IT Department had someone visiting from a company in Australia, and suggested I talk to him.

Turns out that he was a Director of a Sydney-based company which had an associated company in Auckland, New Zealand. So, the conversation that took place turned out to be an integral part of God's plan for our lives. He offered me a job there and then, and I realised how amazing God's love, care and plan is for His children. The job was in New Zealand, and as He did not know what salary I would get, I trusted my Lord for his goodness in that department!

Now we had to make travel plans, and the Lord continued to bring all of these together in His plans for us. We booked a joint passage, flying from Gatwick to Singapore and then onboard a ship for Auckland. God was still in charge, as friends in Littlehampton offered us a place to stay for our last week in the UK and also to take us to Gatwick for our flight. Do you begin to see just how amazingly God was overseeing everything?

And He was far from finished! Our flight had a single stop in the Middle East (Bahrain I think) then on to Singapore, where a coach awaited to take us to the dock, where our ship lay in readiness. Here she is below the Sydney Harbour Bridge.

I am happy to continue "My Story" in the next issue of the next Parish Magazine.

Please feel free to let me know – my email address follows.

# Tales from the Bells

White Waltham Bell Ringing

Summer is the time of year when some of us head off on holidays. This means that sometimes bell ringing may not take place at White Waltham, as there are not enough of us to ring.

While on holiday, some bell ringers visit a tower practice near where they are staying; this helps out with Sunday morning ringing, especially where members of the tower being visited are also on holiday. This is the great thing with bell ringing; it is a skill you can take away with you and it doesn't take up any room in your luggage! Visiting another tower can also give bellringers the chance to ring something that is either just different or more challenging (in which case some revision from the 'Diagrams Book' can be helpful!)

In September, it is the Heritage Open Days Weekend. It is hoped that the Bell Tower will be open for this, on the afternoon of Saturday 13<sup>th</sup> September.

White Waltham are hoping to regain The Tower and Belfries Tower Maintenance Gold Certificate. This is where the Guild visit the tower and do an inspection of the bells, ringing chamber and stairway. We were meant to have an inspection in 2020, but this was postponed due to the pandemic.

Now that our learner has been trained up, I am now able to take on a new recruit or two. Please contact us to arrange a mutual time and day to have a Bell Ringing Taster session or if you are visiting the tower during the Heritage Open Day Weekend, do discuss this with us during your visit.

The White Waltham Bell Ringers hope that you are all having or have had a relaxing holiday.

# Read this short story from the Bible...

## Bible Bite

It can be read in the Bible in  
Matthew chapter 20 verses 1-15

### A short story from the Bible

Jesus told a story to describe God's kingdom.  
A vineyard owner went to the marketplace  
at dawn to hire workers to pick his grapes.

I'll pay you the normal  
wage for a day's work.

He went out again  
at 9 o'clock ...

and again with just 1 hour  
to go before sunset.

I'll pay you a fair wage

At the end of the day...

Pay the last workers first.

They were given a  
whole day's wage...

and so were those who  
had worked all day.

You paid them the same  
and we worked all day!

My friend, you agreed to  
work for a day's wage

I want to give those  
who were hired last  
the same as you got.

Can't I do what I want  
with my own money?

Or are you jealous because  
I'm good to others?

Jesus concluded...

So those  
who are  
now last will be  
first, and the first last.

...and complete this Wordsearch about it!

# Silence

In Luke's gospel we read of how Jesus, whilst praying, was asked by his disciples to teach them how to pray as John taught his disciples. In reply he gives them those words which are now so well known to us – so well known, in fact, that many know that prayer off by heart, The Lord's Prayer.

That same prayer is recorded in Matthew's gospel with further instruction '*Go to your room, and pray to your Father who is unseen*'. The point would seem to be that prayer does not consist of a particular sequence of words – resembling an incantation – but of an attitude. The gulf between the individual and God becomes narrowed.

In silence we spend time with God – we are not alone in this apparent solitude. We are offered the privilege of being able to turn to Him in prayer.

# Shottesbrooke and White Waltham Charities

Clerk – Carolyn Thompson 07834 545967 carolynt52@icloud.com

## Shottesbrooke and White Waltham Welfare Fund

This fund was established by the Charities Commission in 1912 to help those living in the 'area of benefit' (the Civil Parishes of Shottesbrooke and White Waltham and the Ward of South Hurley).

**How we can help:** The Charity income may be used to help generally, or help individual people living in the 'area of benefit' who are in conditions of need, hardship or distress. It can do this by making grants of money or by providing or paying for items, services or facilities.

**Restrictions:** The trustees cannot help pay for rates, taxes or other public funds. However, it may use its funds to add to help that is already being provided out of public funds.

Each application for funding will be considered separately. Applications that are successful on one occasion may not be successful in future.

If you believe you would qualify for funding, please get in contact with the clerk by email (carolynt52@icloud.com) or telephone (07834 545967) and you will be contacted by your local Trustee.

*A letter of support will be required from a Social Worker, a Vicar/Priest, a Head Teacher, or another official body.*

## Want some financial help with your education?

**Have you left school? Are you thinking of full-time training or education? (apprenticeship/College, university etc.) or are you already there?**

If you are under 25 and live in the civil parishes of Shottesbrooke or White Waltham, or the south ward of Hurley ... then the Duell and Hawes Educational Trust may be able to help you with a grant (*this includes areas within Knowl Hill, Warren Row, Littlewick Green, Woodlands Park and Paley Street*).

For further information on the areas covered and eligibility, please write to: Clerk to the Trustees, Carolyn Thompson, Spire View, Waltham Road, White Waltham, SL6 3SG or email: carolynt52@icloud.com for an application form

We've had a couple of heatwaves, and we hope you and the children enjoyed the hot weather. Let's hope the sunshine and warm weather continues for the school summer holidays.

Of interest to those living in the village of White Waltham, a petition, which has now closed, has been submitted to the council. There were 126 signatures on the petition and the officer will be discussing a way forward with the petitioner. The petition:

*'Consider the issue of over-taking and speeding at pick-up and drop-off times, and the near misses which occur on an almost weekly basis outside this Primary School. Mindful of this, it would be prudent for the council to look into installing speed bumps and/or cameras and also 'Children Crossing' signage both outside, and in the immediate vicinity, of the school.'*

Your councillors are also working with officers to ensure planning compliance on a couple of issues including pillars on the Grove, plus many other issues in the Ward that come forward.

### **Grave warning**

*On a road sign outside the gates of a cemetery:*  
'Drive carefully. We don't mind waiting for you.'

### **True Story**

My father had a medical condition that meant regular visits to hospital.  
The local funeral director was a good family friend and had been very  
helpful giving dad lifts to and from the hospital.

On one occasion, a few hours before he was due to come home, the ward  
sister approached my father with a grin. "Your wife is on the phone," she  
said. "She wants to know what time you would like the undertaker to  
collect you."

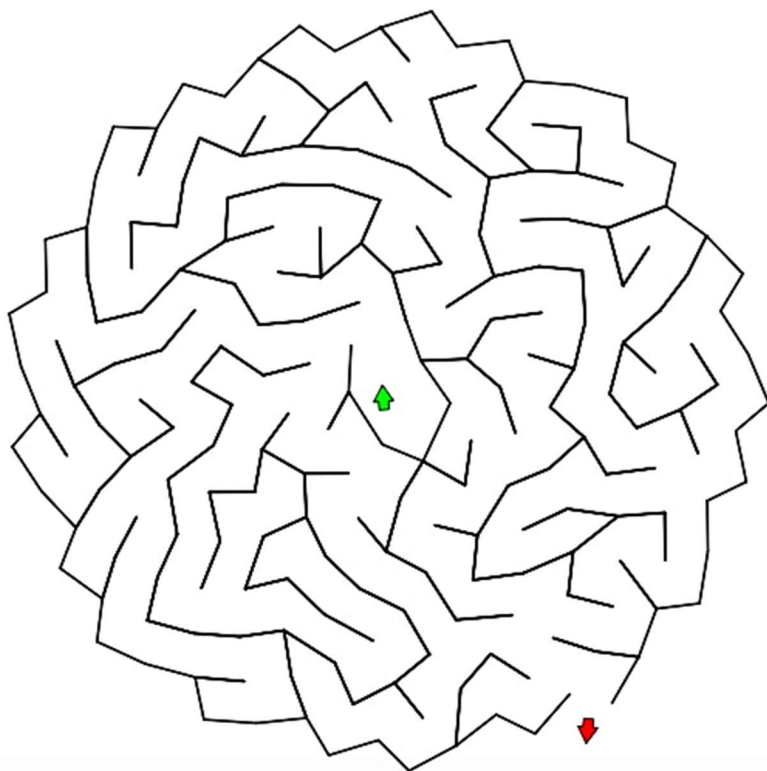

### **Yum yum**

A notice outside Chichester Cathedral advertised lunchtime concerts with  
the encouragement that: "Sandwiches may be eaten." Someone had  
scribbled underneath: "So if you are a sandwich, don't come!"
