Dear All

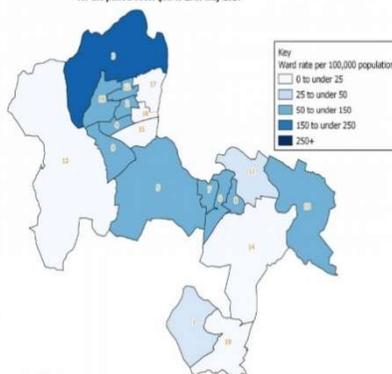

The summer has arrived and at the time of writing, all of us are awaiting the 21<sup>st</sup> June date when we will be able to move around more freely and begin living life - maybe not as we once knew but certainly better than it has been.

In our Ward, there has been a fantastic uptake in the vaccine which is now available to the younger residents, and we want to thank everyone for collaborating to ensure we are all protected. Interestingly, in the last report to come out at the end of May, there were no cases in Hurley and the Walthams (see map opposite – we are area 13 on the west of the map).

For information (which we hope you will never need to use), if you think someone has COVID-19 in your workplace, school or other setting, please contact the council on 01628 683820 (Monday–Friday 9am–5pm) and for urgent referrals on Saturday and Sunday between 9am to 5pm, please email [Env.Health@RBWM.gov.uk](mailto:Env.Health@RBWM.gov.uk)

The council now has to weigh the impact the pandemic has had not only on the residents, all the services etc but also the huge impact on businesses.

Meetings continue, albeit virtually for the most part at present though some have moved back to being face to face. Most can be viewed on YouTube; [School Improvement Forum 7.6.21](#) is one such meeting you may be interested in – especially if you have primary school aged children. In this meeting, there was a discussion about the consultation that the council and schools undertook to look into the effects that school closures had on school children. Most children were delighted to be back in school though a few didn't want to leave their parents. The consultation also looked at the impact on schooling in the different years in primary schools and the way forward to address any problems.

### **Upcoming changes to Maidenhead Police Station front counter hours**

From **Monday 30 August**, Maidenhead Police Station's front counter hours will be reducing from 8am–10pm seven days a week, to 8am–4pm Monday to Friday. Police say that this will not affect officer numbers nor the number of police bases in the Thames Valley area. The change follows a Thames Valley Police public consultation earlier this year on proposed changes to front counter services at police stations across Buckinghamshire, Berkshire and Oxfordshire. You can learn more by visiting the [Thames Valley Police website](#).

We hope you will all stay safe and well and have a really enjoyable summer.

# EUROPE & ASIA

This summer is a catch-up time for men's and women's sport – with some events from 2020 and others from 2021. Football, cricket, athletics, rowing, rugby, tennis, to name a few, are due to take place. There's the men's 2021 UEFA European Championship in June and then in August there is the amazing range of sports at the Olympic Games in Tokyo. It's wall to wall coverage!

One of the things that always interests me is the coming together of different countries, with their variety of language, customs, celebrations, and culture. Each brings their own identity – and rightly so. Not only will there be 24 European countries taking part in this 2021 UEFA Championship, but 11 different nations will be hosting the tournament. That's a great coming together and sharing in a world in which there are still so many problems and disagreements.

With the way life has changed over more recent years, every European nation has citizens from all over the world who have settled there and become an important part of that particular country.

Now here is the link...! On 23<sup>rd</sup> May 2021 the Christian church celebrated the feast of Pentecost, the day God sent his Holy Spirit on the disciples to give them the power to speak about Jesus. This remarkable account in Acts

chapter 2 tells us about Jews from many nations who had come to Jerusalem on holiday to celebrate the festival! Just as the UEFA football championships represents all the nations of Europe, Pentecost had visitors from all around the Mediterranean, which would include modern-day Italy, Greece, Turkey, Lebanon, Israel, Egypt and north Africa! It was Simon from Cyrene in Africa on holiday in Jerusalem, who was forced to carry Jesus' cross. Notice also that although this multinational group at Pentecost all spoke different languages, God gave the disciples the ability to speak the necessary native languages, so everyone could understand the message about Jesus!

People from all these nations were there for a purpose – to witness the out-pouring of God's Spirit and then go home to tell others what they'd seen, experienced and learned about Jesus for themselves.

If you love your sport like I do, you will probably spend quite a bit of time in front of the TV screen in the next few weeks. But I urge you also to find a Bible and look at Acts chapter 2 and see for yourself how the Mediterranean visitors celebrated!

What is the Bible? It is many things, but it is not a book of rules. It is truer to regard it as a book of promises. In the first epistle of Peter (Chap 1:4) we are told of the ‘inheritance that is kept for us in heaven – an inheritance that can never perish, spoil or fade’.

Jesus’s response to one of those crucified with him was ‘I tell you the truth, today you will be with me in paradise’. It was a promise that could be trusted.

One translation of the Bible is termed ‘The Message’ - the text is presented in everyday language, but therein, we find the scriptures presented in their entirety in a form that is easily understood by all who turn to it.

It is true to say that Jesus is central to the Bible’s message – throughout the Old Testament, prophesies foretell his coming, as the promised Messiah, whilst the New Testament gives us a full account of his life and teaching – a disclosure of God’s plan and will.

# Wordsearch

**St Alban was the first British martyr – read about him and find 20 words from this passage in the wordsearch below.**

Persecution of Christians worldwide is rising fast, so it is worth remembering St Alban, the first British martyr. Alban was a Roman citizen living in England when the Roman emperor, Diocletian, began a fierce persecution. Soon Alban found a desperate priest on his doorstep, hunted by local soldiers. Alban gave the priest shelter, and within days was converted. When the soldiers arrived, Alban took the priest's place, refused to offer sacrifice to the Roman gods, and was condemned to death. Alban went to his execution on 22<sup>nd</sup> June 250AD with such serenity that one of the executioners was converted. He died on the site of the Hertfordshire town that now bears his name.
